The history of this charming Samui resort is one of family, friendship and care, creating a resort, restaurant and spa of unique design and close personal intimacy. At Zazen Boutique Resort and Spa Ko Samui, a guest's preconceptions of a Samui hotel and a Thailand holiday are transformed into an experience of union, sociability, and unimagined pleasure.

Distinctive and personal bungalows are located on the pristine beachfront and amongst verdant tropical gardens, with up-market furnishings, the latest in technological entertainment, and bright, luxurious style. Guests indulge in a home of the best in modern living combined with the finest of international comforts.

Zazen Restaurant is famous throughout the Samui island for its deep, romantic atmosphere and delectable East Meets West cuisine from our Executive Master Chef. At night, Zazen becomes a warm and rouge candle-lit palace, with guests enjoying the gentle presence of the beachfront, the enticing cuisine, and the company of each other.
