Woodland Muangmai Fantasy is a fantasy Theme park that tells a story of woodmen's adventure through a fantastical realm into the Kingdom of the Creator of the Universe . This story of woodmen is portrayed through thousands of intricate woodcarvings from the private collection of Thewphaingarm family.

The Woodland project was begin to build at last 30 years and just open at 1 January 2015 . Dr.Nattakrit Thewhphaigram , Owner and Manager Director, try to make all tourists have experienced that never had before . The Woodland is built on more than 100 rai of land and divided into three different zone . The Story of woodland ,with the woodcarving display, Woodland Village (an area for restaurants and souvenirs), and The Resort , with 28 guestrooms , which was the former residence of the Thewphaingarm family . The project also has a seminar hall, that holds more than 150 participants, a Cathedral - one of the largest wood cathedrals in the world, an ancient stone garden - and several other areas for various activities, including lunch and dinner cruises, stork-watching during their winter migration, and Thai Gondola ride.

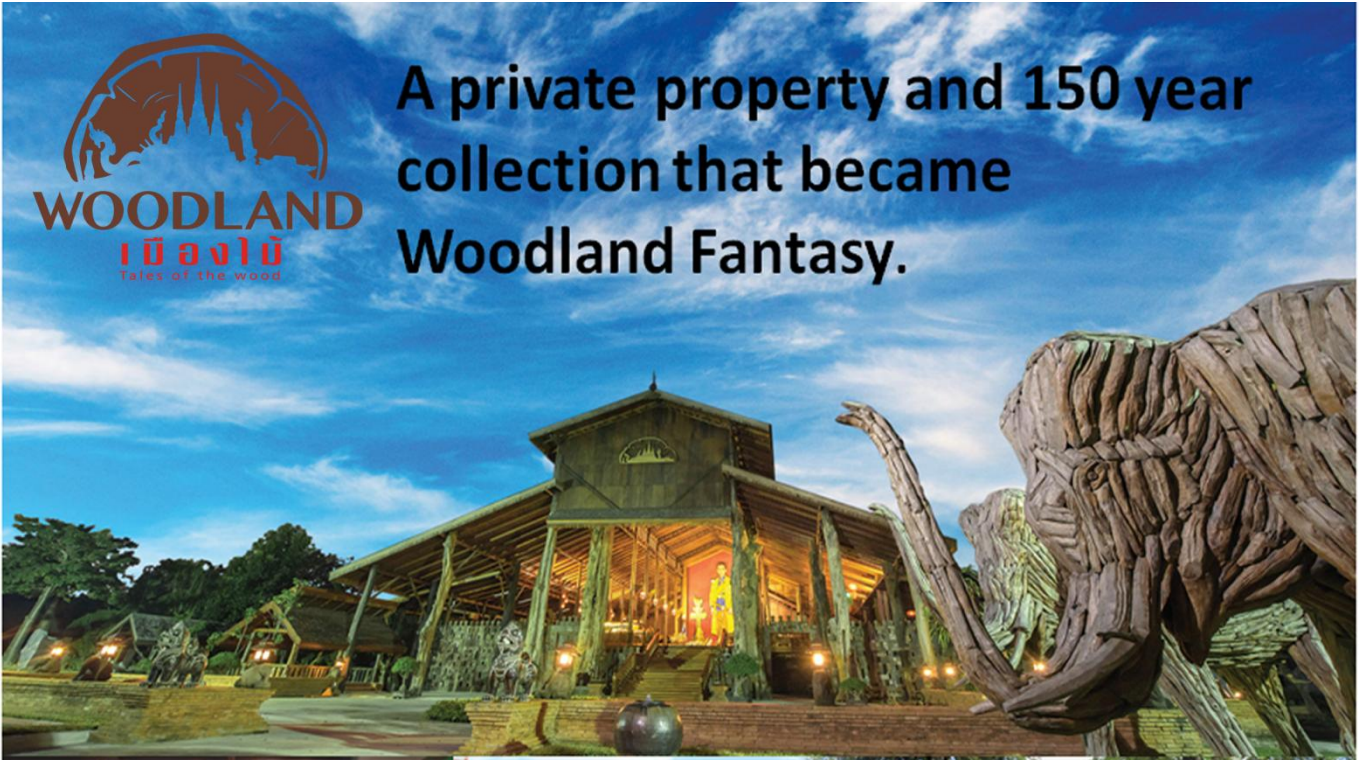

Quite a number of High Ranking officials such as the Governor Nakhompathom and medias who have visited Woodland praised us as “ A new tourist attraction that all Thais can be proud of ”
