

## Thailand's First 360° LED Wall Ballroom at Chiang Mai Marriott Hotel

Redefining event experiences in Thailand, The Plaii Ballroom at Chiang Mai Marriott Hotel is the first in the country to feature four seamlessly integrated LED screens embedded within its walls. Spanning an impressive 84 meters, these cutting-edge displays provide a fully immersive visual experience, transforming any event into a breathtaking showcase. Whether hosting a corporate conference, gala dinner, product launch, or wedding, the state-of-the-art LED technology ensures every moment is elevated with stunning clarity and vibrant detail.

Designed to inspire, The Plaii Ballroom offers 430 sqm of event space, complemented by a soaring 6.24-meter ceiling that enhances its grandeur. The 360° LED wall setup enables dynamic and customizable displays, allowing event organizers to craft unforgettable atmospheres with high-resolution visuals, engaging presentations, and captivating storytelling.

As part of Chiang Mai Marriott Hotel, guests can enjoy world-class hospitality and premium catering options. Whether you're planning an intimate gathering or a large-scale celebration, The Plaii Ballroom delivers an unparalleled fusion of innovation, elegance, and functionality—setting a new benchmark for event venues in Thailand.
