

**Plan your MICE Event!**

**Amari Bangkok** is the city's leading meetings and events hotel, celebrating the moments that matter and offering a luxurious 5-star experience. The rooms and suites gently evoke our hotel's unique central Bangkok location, seamlessly blending tradition and modernity.

The new lobby embodies Thailand's traditional charm with murals depicting scenes of Thai life at the reception desks, illuminated wall panels reflecting water movements in the lounge area, and lattice screens inspired by nearby Platinum Fashion Mall, bustling markets, and cultural landmarks.

Elevate your stay with a Club room or suite and exclusive access to Club Siraa, where you'll enjoy personalized service, daily breakfast, evening beverages, and exclusive premium dining. This is complemented by market-style Asian cuisine at Amaya Food Gallery, authentic dishes at Prego Bangkok, ChomSindh, and Nila, along with a wide selection of wines at ItalThai Cellar.

We are honored to be Thailand's foremost sustainable MICE venue, integrating sustainability through our Sustainably Conscious Program into guest experiences, meeting facilities, dining, procurement, environmental initiatives, and people management. Our commitment aligns with SDG principles, emphasizing zero food waste, responsible consumption, inclusivity, and environmentally conscious hospitality operations.
