

Elevating the MICE Experience with Award-Winning Venues and Certified Excellence At Carlton Hotel Bangkok Sukhumvit

Bangkok, April 2026 – Carlton Hotel Bangkok Sukhumvit continues to set the benchmark for luxury business hospitality, offering sophisticated venue solutions tailored to the modern MICE industry. With its prime Sukhumvit location and prestigious regional certifications, the hotel provides an ideal environment for high-impact corporate events.

Strategic Venue Positioning in the Heart of Bangkok

Situated in one of the city's accessible hubs, the hotel features 1,200 square meters of dedicated event space. The **Carlton Grand Ballroom** serves as a stunning centerpiece for conventions and gala dinners, accommodating up to 600 guests. This is complemented by a suite of versatile breakout rooms and boardrooms. Each space is equipped with modern audiovisual technology and high-speed connectivity, designed to facilitate seamless collaboration and premium guest experiences.

Recognized Standards of Excellence

Our commitment to operational quality is supported by industry certifications, ensuring organisers can book with absolute confidence. Our venue standards are officially recognised through the following achievements:

- **ASEAN MICE Venue Standards (AMVS), 2026–2028:** This accreditation represents the recognized criteria for certifying meeting rooms and event venues across Southeast Asia, ensuring the delivery of high-quality, safe, and sustainable MICE services.
- **Thailand MICE Venue Standard (TMVS), 2024-2026:** Certified by the Thailand Convention and Exhibition Bureau (TCEB) as a recognized standard for event venues in Thailand.

Sustainable Value for the Modern Event Organizer

To meet the evolving requirements of corporate social responsibility (CSR), the property has successfully integrated sustainability frameworks into its service model. These initiatives add value to every event, allowing organisers to host gatherings that are both refined and responsible.

Key recognitions include:

- **Sustainable Tourism Acceleration Rating (STAR):** 5-Star Rating (2025–2027) from the Tourism Authority of Thailand.
- **Thailand Sustainable Event Management Standard (TSEMS):** Providing a structured approach to eco-friendly event execution.
- **Carbon Footprint Hotels 2025:** Highlighting our ongoing efforts to monitor and manage environmental impact.

By choosing Carlton Hotel Bangkok Sukhumvit, organisers benefit from a venue that balances high-end hospitality with a commitment to national and regional standards, ensuring every meeting is as impactful as it is prestigious.
