Conveniently located on Sukhumvit Road with direct access to the BTS Skytrain, Hyatt Regency Bangkok Sukhumvit boasts 1,359 square meters of versatile meeting and event space. The centerpiece of this space, the pillarless Regency Ballroom, now features a breathtaking 8K LED screen, measuring 3.5 meters in height and 20 meters in length. This cutting-edge screen can be configured into separate sections and is enhanced by high-intensity LED lighting with advanced color mixing technology. The ballroom can accommodate up to 850 guests and offers comprehensive AV support, including a standard light and sound system, satellite communication, and full secretarial services, ensuring every event is executed flawlessly.

In addition to the Regency Ballroom, Hyatt Regency Bangkok Sukhumvit offers four flexible meeting suites—Regency I-IV—that can be partitioned to suit various event sizes, from intimate boardroom meetings for 24 to elegant receptions for up to 140 guests. These venues, all featuring natural sunlight, come equipped with the latest audiovisual technology, such as smart LED televisions, high-definition video conferencing suites, and wireless internet. Complementing these spaces are a pre-function area, an event lounge, an open kitchen, and a bar, all contributing to the venue's versatility and appeal.
