

Centara Grand & Bangkok Convention Centre at CentralWorld, a Leading Destination for International Conferences

Following the successful completion of two major international medical conferences in May 2024, Centara Grand & Bangkok Convention Centre at CentralWorld continues to establish itself as a key venue for international conferences.

From May 2-5, **the Asia Pacific Society of Cardiovascular and Interventional Radiology (APSCVIR)** hosted its annual conference and dinner, supported by the Thailand Convention and Exhibition Bureau (TCEB). This event brought together top specialists from across the Asia-Pacific region to discuss the latest innovations in interventional radiology, focusing on enhancing patient outcomes.

Shortly thereafter, from May 13-18, Centara Grand hosted the **Global Spine Congress 2024**, in collaboration with AO Spine. This gathering of the world's leading academic spine community was a critical platform for the exchange of the latest research in spine surgery, contributing significantly to global spine health advancements.

Looking ahead, Centara Grand will host the **62nd Annual Meeting of the Association for Computational Linguistics (ACL 2024)** from 11-16 August and the **World Financial Symposium (WFS) & World Passenger Symposium (WPS)** from 30-31 October 2024. These upcoming events underscore Centara Grand's commitment to facilitating important international gatherings.

Centara Grand & Bangkok Convention Centre at CentralWorld remains dedicated to hosting world-class events, with state-of-the-art facilities and hospitality that meet the diverse needs of global experts and leaders. Our ongoing efforts align with our vision to be at the forefront of international conference hosting, advancing the global community's goals.
